PETITIONING THE COURT

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 08/19/2024 and 09/06/2024.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

5	Special Condition #4: You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.
---	---

Supporting Evidence: It is alleged that Mr. McLaughlin violated the terms and conditions of his supervised release by using methamphetamine on or about September 6, 2024.

On September 9, 2024, Mr. McLaughlin appeared before a U.S. Magistrate Judge on the violation petitions dated August 19, and September 6, 2024, and a detention hearing subsequently occurred after the government moved for detention. Mr. McLaughlin was ordered to be detained though it was ordered that should he provide a urinalysis that tested negative he would be released. After the detention hearing, the undersigned met with Mr. McLaughlin who was in the custody of the U.S. Marshals Service and it was at that time he provided a urinalysis that tested presumptive positive for methamphetamine and he admitted to using this substance on or about September 6, 2024. Mr. McLaughlin was thus remanded to the custody of the U.S. Marshals Service.
